

Carolina Firearms and Training

Class Application Information

The following general guidelines apply to all classes. We'll e-mail you additional information such as the class date, time, and anything else you need to know for a specific class. You're always welcome to e-mail us if you have questions.

1. **Class.** Bring bottled water so you can stay hydrated. Always bring your driver's license to class: you'll need it.
2. **Safety.** Safety is the foremost concern. Guns, ammunition, and shooting are potentially dangerous. **Don't bring firearms or ammunition into the classroom.** Any gun you bring to the range must be safe, unloaded, and either cased or holstered when you arrive. I'll tell you when to holster up. I review the basic rules of firearms safety at the beginning of every class. Follow them at all times.
3. **Firearms.** Your gun must be safe, unmodified, and perfectly functioning. I'm not a gunsmith and can't check each gun but I won't allow one that seems unsafe, nor can I repair malfunctioning guns. I recommend you bring the self-defense firearm you intend to use when you leave the course.
4. **Ammunition.** Bring at least 50 rounds of fresh factory ammunition for your gun, no hand loads or reloads. More is better. Ammunition must be in the factory boxes just as you bought it. Don't mix or repack ammunition. These are safety issues.
5. **Clothing.** Dress appropriately for the day's weather and a sandy outdoors environment. Men and women both should wear pants with belt loops and pockets for spare ammunition, socks, sneakers or boots. These are safety issues.
6. **Holster, Belt, Sling.** Bring a quality belt and belt holster for your handgun. Make sure both fit before class. The belt must fit you, the holster, and the pant loops, and be sturdy enough to support the gun without flopping or sagging. If I lend you a gun I'll lend you a holster but I can't lend you a belt. You'll want a sturdy belt that is 1-1/2" wide. These are safety issues.
7. **Equipment.** Bring paper and a writing utensil to take notes. If you bring a pencil, there is no pencil sharpener in the classroom, so bring your own and/or several sharpened pencils. Bring hearing protection for use on the range. Always wear them when anyone is shooting on the range. Everyone shooting a firearm must own ear protection. Use them or you could suffer permanent physical damage. You're responsible for your own safety.
8. **Application and Payment.** This page is part of your application. Sign it, complete the attached "Application for Firearms Instruction," and send both pages with payment in full. Payment in full (no deposits or partial payment) with the completed application. Make payment to "**Carolina Firearms and Training**" and mail to:

Carolina Firearms and Training
1002 Gordon Street
Georgetown, SC 29440
9. **Special Needs.** If you have any special needs, or physical, medical, or other condition please let us know in writing on your application. We can't help what we don't know, and we want you safe.
10. **Standards.** You must pass two written tests from SLED and the required shooting test on the range. You also must demonstrate practical proficiency and firearm safety. I want you to pass and will try to help you but students who do not follow instructions or who handle firearms or ammunition in an unsafe manner may be dismissed.
11. **Release of Liability and Assumption of the Risk.** Admission to the class requires a "Liability Release and Assumption of the Risk Agreement" signed by you at the beginning of class.

I have read, understood, and agree to the above:

I am not legally prevented from owning or using firearms. I understand that I must execute a full "Liability Release and Assumption of the Risk Agreement" for admittance to this class. I agree that your acceptance of this application does not guarantee that I will pass the course. If I am accepted I will comply with all instructions and safety procedures, and I agree that you may terminate my participation in the class without refund and that the instructors' decision is final. I have disclosed any disabilities or special needs in writing on this application. I will behave safely, follow directions, and not bring anything unsafe, illegal, or disallowed by the instructors to a classroom or shooting range. I enclose my check or U.S. Postal Money Order made payable to "Carolina Firearms and Training" for the full amount of the course fee. I understand and agree that there are no refunds for any reason and that this non-refundable fee pays for reserving a place in this class.
